

WELCOME TO DANCE DYNAMIQUE!

Thank you for joining the Dance Dynamique academy! We are so pleased with the interest so far and we hope the classes are going to keep on growing. Please tell all your friends about us so we can start adding additional classes.

Our plan!!

The academy is a new venture so we are building slowly. I think it's important for people to know my hopes and dreams for the academy so you can see what I want to achieve.

More classes – I am wanting to add 2 more subjects to the timetable. Theatre craft and Modern Jazz. Theatre craft is a combination of different styles used in shows from cabaret to musicals. Modern Jazz is funky, strong and powerful with high energy movements. Watch this space for extra classes. These will hopefully be starting January 2014 on a Monday.

Exams – We have started exams with the IDTA. We gained exceptional results in our first session. Students will take exams annually at the discretion of the teacher. We encourage all students to take part in exams as they are very beneficial to learning and development. Extra exam classes will be needed for certain exams to help prepare. Please see T&Cs for more information on exams.

The building

Worrall memorial hall is a fantastic space and has been refurbished beautifully!! To keep classes running smoothly with minimal disruption I want to keep crossing the hall down to a minimum. There is a small meeting room off the entrance where pupils can leave their bags, change and wait before lessons. If your child needs to be left they can come and sit quietly at the edge of the class so they are not alone. Toilets are through the hall so please cross quietly.

Waiting facilities – I would prefer parents not to wait in the main hall once your child has settled into lessons. Children work much harder without the distraction of an audience. Parents can either wait in the meeting room or I have arranged for the kitchen to be used where tea and coffee facilities will be provided at 20p per cup.

Uniform

All children are required to wear the set uniform once they have decided to stay with Dance Dynamique. This can be purchased through the academy. Please see T&Cs for more information.

Dance Dynamique is also available for birthday parties and workshops. Please contact us for more information.

I hope you enjoy your classes with us!!
